Grand Knight Annotation:

Once again elections are approaching us. Thank you to all the officers who served last year! Consider helping out your council and trying an elected position. We have so many upcoming events and are making a huge impact on our churches and communities with our members. However we are only limited by ourselves and could achieve greater good with more support of our members. If you haven't been active at events lately consider coming back out to join us. We do help bring Christ to our community through our works, but even greater we bring Him to ourselves through our devotion and dedication. We are always open to new ideas and events and making them happen! Join us around the fire! Dave
